

**your roads – your team,
building communities for families**

G&E Contracting LP

G&E Contracting LP is a civil construction and excavation company specializing in a wide range of civil and bridge infrastructure services. G&E has established a successful reputation in Commercial, Residential, Institutional and Industrial projects and has been servicing the construction industry since 1979.

Services:

- Bridge and Structural Work • Bulk and Detail Excavation / Earthwork Construction • Civil Service Installations
- Commercial / Retail Building Construction • Demolition • Site Preparation • Tenant Improvements
- Gravel Truck and Equipment • Hired Equipment • Time & Materials (hourly)

Expertise:

- Commercial Site Development • Golf Course Site Preparation • Highway and Bridge Construction
- Mechanical Pump Stations • Reconstruction of Existing Infrastructure • Subdivision Development
- Underground Utility Installation

G&E has two BC locations—G&E Vancouver Island based in Sidney has completed projects on various areas of the Island including Quadra Island, Forrest Island and the Interior of British Columbia. G&E Contracting Vancouver Island is primarily involved in prime contractor excavation work in subdivision development, reconstruction of existing infrastructure, trunk sewer and water works including mechanical pump stations, golf course site preparation start to finish, and site development of commercial building sites. In 2008, Mainroad Group acquired G&E Contracting and expanded operations to Vancouver’s Lower Mainland based in Langley. G&E Lower Mainland focuses on bridge construction projects, structural rehabilitation work, and other special highway improvements within the Lower Mainland and Alberta.

Whether your project is commercial, industrial, or heavy/highway industry, we remain committed to outperforming other companies in the areas of earthwork, highway construction, cast-in-place concrete, underground utilities, demolition and civil services while never loses sight of our core values: safety, quality, loyalty, integrity, pride, customer focus and community service.

G&E Contracting LP is COR certified and an active member of the following industry associations:

- BC Construction Safety Alliance • BC Construction Round Table • Calgary Construction Association
- Canadian Construction Association • International Concrete Repair Institute
- Island Equipment Owners Association • Vancouver Island Construction Association
